

## Open Call

### *Alumni Committee*

Dear Sections, Alumni and Council of Advice,

Hereby the National Board launches the open call for the National Alumni Committee for 2017-2018.

Whether you will become an ESN Alumni in the first semester of 2017-2018 or you are already an alumnus, we bet you still remember the great times you had during your board year in ESN! At National Platforms, visiting other sections' events and Constitutional Drinks and the National Activities, and so forth. Afraid that this will soon be over? Want to relive those fun times? Want to organize a reunion in September maybe? Did you become close friends with some of the other board members and do you want to team up and organize something together? Become the Alumni Committee!

Both Dutch Alumni and the Dutch Network as a whole can benefit a lot from a strong Alumni network. We would love to bring out the untamed potential and we need your help and ideas to do so. Therefore, there is a lot of room for you to share your ideas and work them out. Think of: an Inhouse day, training afternoon, networking drinks, etc. The objective of the committee is to at least organize one Alumni event in the upcoming year, but the overall goal is to build an even stronger Network by empowering the Dutch Alumni! Therefore the tasks not only include organizing an event, but also to find new opportunities for the Alumni network.

#### Task description

- Organize fun and interesting Alumni events
  - Be in charge of the organization, promotion and execution of the event
- Work to empower the Dutch Network as a whole through involvement of Alumni
  - Think of knowledge transfer through trainings, drinks, mentoring programs, etc.
- Explore possibilities for ESN Alumni
  - Think of Inhouse days, networking drinks, career opportunities
- Actively motivating former local board members to be a part of the Alumni network and contribute to it
- Work together with the National Board to establish a strong Alumni Network

#### Required Skills and Expertise

- Knowledge of the Network
- Good communication skills
- Ability to work in a team, but also independent

#### Advantages

- Stay involved in ESN;
  - On the national level;
  - Work together again with people you have met during your ESN year(s)
- Being part of the committee will help you to develop your organizing and communication skills
- Get in contact with both active ESNers and Alumni, and other organizations

- (e.g. National Agency, companies and other non-profit organizations such as ESAA [Erasmus+ Student and Alumni Association]).
- In this committee you will have a lot of freedom to develop your own ideas
- Use you experience and knowledge to help ESN the Netherlands forward
