

Open call

National Activities Committee

Hereby the National Board is launching the open call for the National Activities Committee. Organizing a National Activity is a tradition in many ESN countries. ESN Spain goes to Ibiza, ESN Greece goes to Crete and ESN Belgium visits Amsterdam. For the past two years, ESN The Netherlands has organized successful city trips to Prague and Berlin, for 400 to 750 participants. Also, on kingsday 2017, we organized the first official ESN festival and celebrated kingsday on a cruise with 600 students. ESN the Netherlands values the National Events as it brings all sections together and enables smaller sections to offer large events to their students as well. On top of that, it is important for the network as a whole as it brings many opportunities. The National Activities of 2017/2018 will be even larger than before, and therefore we are looking for enthusiastic committee members.

Task Description

- Work together with the National Board to organize two/three large National Activities during the year.
- Help developing and designing the promotional tools and take care of all the promotional activities regarding the National Activity, the distribution of materials and execution of the promotion.
- Actively motivate local ESN members to get involved in the event and forward the message to their students.
- Be in charge of the National Event, make sure that all the volunteers will be informed and know where to be and what to do at which time during the actual event. Taking care of all the logistics before, during and after the event are the key task of the committee.
- Evaluate the National Activity afterwards and make sure we keep working towards a better event each year.

Required skills and experience

- Experience with event management
- Knowledge about the ESN Network
- Professional communication skills
- The ability to both work independently and in teams
- Problem solving skills and a creative mindset

If you have any questions, please do not hesitate to contact the current national board member responsible of the National Activities Committee, Jorinde Wilbrink, at partnerships@esn-nl.org. Please send your motivation letter and CV to info@esn-nl.org before **July 16th 2017**.
